3-step purifying protocol

Detox Pre-Treatment

1A - 4C

All hair types

Palmaria palmata · Coconut oil · Fiber Dtox

Removes heavy metals, toxins, pollution, and limescale while strengthening and protecting the hair fiber. Formulated with marine extracts, red algae, coconut, and olive leaf, it gently purifies the scalp and hair.

pH 4.0 - 4.5

Low Poo Shampoo

2A - 4C

Chia seeds · Calendula · Mango · Aloe vera

A sulfate-free shampoo that gently cleanses and moisturizes curls without weighing them down. Reduces frizz, controls volume, and reveals soft, shiny, well-defined hair.

pH 6.5 - 7.5

No Poo Conditioner

2A - 4C

Mango butter · Quattro (Chia) · Aloe vera

A cleansing and detangling treatment that moisturizes, softens, and reduces frizz from the first use. Rich in plant-based actives, it protects the hair fiber and reveals soft, shiny, and perfectly defined curls.

pH 3.0 - 3.5

TO SUPPORT THEM, DAY AFTER DAY.

Hair Masks

Mango butter · Phyto-keratin · Plant actives

pH 3.0 - 4.0

2ABC

An intensive treatment that moisturizes, nourishes, repairs, and enhances the natural texture of wavy to curly hair. Designed to combine effectiveness, natural ingredients, and sensory pleasure, it leaves hair visibly softer, shinier, and more defined from the first application.

3ABC

An intensive treatment that nourishes, repairs, and enhances the natural texture of curly hair. Formulated to strengthen curls while providing flexibility, shine, and hold, it delivers plant-powered performance and sensory delight from the first use.

4ABC

A rich, nourishing treatment that regenerates, softens, and protects the fiber of kinky to very curly hair. Enriched with plant butters and oils, it restores elasticity and radiance while enhancing natural density from the first application.

Styling Creams

pH 3.0 – 4.0

2ABC

Mango butter · Coconut oil · Flaxseed

A lightweight cream that nourishes, defines, and enhances waves. Enriched with mango butter, coconut oil, and flaxseed, it provides hold without weighing hair down, controls frizz, and leaves hair soft, shiny, and perfectly defined.

3ABC

Mango butter · Aloe vera · Golden flaxseed

A rich cream that defines, nourishes, and shapes curls with precision. Formulated with mango butter, coconut oil, and flaxseed and chia extracts, it reduces frizz, boosts shine, and ensures flexible hold without stiffness.

4ABC

Mango butter · Aloe vera · Golden flaxseed

A creamy formula that moisturizes, defines, and softens kinky hair. Enriched with mango butter, aloe vera, and golden flaxseed, it deeply nourishes without heaviness, reduces frizz, and improves elasticity for dense, bouncy, radiant curls.

Sculpting Gel

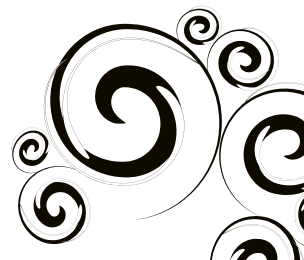

2A – 4C

Chia · Golden flaxseed · Mango butter

A natural gel that defines, moisturizes, and sets curls without stiffness. Enriched with chia seeds, golden flaxseed, and mango butter, it coats the hair, controls frizz, and reveals soft, shiny, perfectly shaped curls.
